GIRL IS ASSAULTED ON DIXON STREETS

ALICE McRAE WENT THROUGH
EXPERIENCE TUESDAY
NIGHT.

COULD RECOGNIZE THE MAN

Clothing Was Torn to Shreds by
Brute Who Attacked Girl Walking
Alone Through Dark Street.

Miss Alice McRae, a pretty Scotch girl who came to Dixon but a couple of weeks ago, underwent a terrible experience on Tuesday night when she was assaulted by a well dressed white man somewhere in Dixon between the business district and depots.

Miss McRae, who has not been here long enough to become acquainted with the streets, was unable to tell her location. She had spent the evening with a girl friend from Sterling and that young lady, having missed the interurban car, decided he would return on the C. & N. W. About 11 o'clock she started for the depot and Miss McRae accompanied her about half way.

When she had started back alone, a man, whom she describes as being well dressed, heavy-set and of florid complexion, came up back of her and spoke to her. She ignored him and walked faster in an effort to elude him. The man continued to follow and annoy her, and suddenly, when she was in a dark spot on the street, without warning he ran up behind her and grabbed her, throwing her to the ground.

The girl fought like a tigress for her life and honor, and finally managed to free herself from the grasp of the beast and ran away from him. After she got away from him he called, "Here, come back and get your glasses," and although she had just bought them and paid \$14 for them, she was afraid to go back.

When Miss McRae arrived at the Nachusa House, where she is employed, her clothing was torn to shreds and she was in a condition bordering a nervous breakdown. All day yesterday she was in bed, sick from the shock of the terrible experience.

Miss McRae said that after she got away from the brute who attacked her she was lost and did not know the way back to the hotel, and so when she saw someone driving along the street in a buggy she called out, asking the directions. The occupant of the buggy, a man, answered her in a fresh way and invited her to go for a buggy ride with him. The poor girl began to believe that all Dixon men were alike and a woman was safe nowhere.

The girl states that she would be able to identify her assailant, could she be brought face to face with him.

BURIED IN STERLING.

Sterling, Apr. 24—The remains of Lemuel Allen, assistant agent at the Wood street station of the C. & N. W., who was killed while working in the yards there Thursday evening, were brought to this city last evening and were buried this afternoon from the home of E. E. Sheetz, the Masonic orders being in charge of the burial.

TO REPAIR BRIDGE

IN BROOKLYN TOWNSHIP
The highway commissioners of Brooklyn township, C. A. Jeanbanc, W. F. Beemer and W. A. Derr have decided to repair the bridge over Bureau creek, three miles south of Compton, for which repairs Town Clerk W. H. Dishong has sent out notices.

HOME FOR SISTER'S FUNERAL

Raymond McGowan returned yesterday from Richmond, Va., where a telegram announcing the death of his sister, reached him. The young man was enroute to Cuba when the sad news was conveyed to him.

HAVE BABY GIRL.

Word has been received in Dixon of the birth of a baby girl to Mr. and Mrs. James Shipp of Plainfield, Ia. Mrs. Shipp was formerly Miss Dorothy Braler of Dixon.

ARCHBISHOP ASSASSINATED.
Rome, Italy, Apr. 24—Special to Telegraph—The Catholic archbishop of Scutari, J. Seregi, has been assassinated, according to dispatches received here today.

AUSTRO-HUNGARY SPEAKS

London, Eng., April 24—Special to Telegraph—"Take immediate action to turn the Montenegrans out of Scutari, or we will do it alone," is the ultimatum delivered to the European powers by Austro-Hungary today.

ROCHELLE SEEKS INTERURBAN LINE

CAPITALISTS READY TO PUT UP
FOR EXTENSION FROM
AMBOY.

Although Rochelle capitalists have made a favorable proposition to bond holders in the Northern Illinois Electric railroad work on the branch from Amboy to Rochelle has been at a standstill for nearly a year. The reason assigned is lack of interest in its extension to Rochelle by the bondholders who refuse to convert their bond holdings into stock.

Rochelle's proposition is that the bonds be surrendered for a corresponding amount of stock in the road. The exchange would cost nothing but as the matter stands the bonds are practically valueless to holders. Furthermore the chances are that they will remain so for an indefinite time, whereas, by converting them into stock the original investment may yield a fairly good revenue within a year.

The part in operation between Amboy and Middlebury is doing a good business, both in freight and passenger traffic, under present unfavorable conditions; and it must be obvious to anyone who has posted himself on the matter, that, with Rochelle as terminus, and the road properly equipped, it would become a paying proposition at once. The line runs through a section which is one of the best farming sections of the state, where a road is badly needed.

Citizens of Lee Center and Bradford are loud in their praises of the railway in their community. It has saved money for farmers all along the line. It has made money for business men in Amboy and has been of untold convenience and pleasure to the general public. M. A. Peoples is the present manager of the road and is using his best efforts to secure its extension to Rochelle.—Ogle County Reporter.

BYRON KLINE DIES IN LINCOLN, NEB.

FORMER AMBOY BOY PASSED
AWAY THIS MORNING—
BURIAL AT AMBOY.

Amboy, Apr. 24—Special to Telegraph—The body of Byron Kline, a former Amboy boy, who died in Lincoln, Neb., this morning, will be brought here for burial. The funeral will be Saturday afternoon. Further arrangements will be announced later.

TENNIS CLUB IS LAYING OUT COURTS

LOCAL ORGANIZATION TO HAVE
EXCELLENT PLACE TO PLAY
THIS SUMMER.

The Dixon Tennis club which has been organized with a charter membership of ten, has begun work on filling up and grading the vacant lot at the corner of Fifth street and Galena avenue for the purpose of laying out two courts for the use of the club.

This lot has been an eye-sore for some time, being used as a dumping place for ashes and refuse of all kinds. The tennis club is not only benefitting itself by placing its courts there, but is adding to the beauty of the neighborhood.

GENESEO OFFICIALS WERE HERE TODAY

MAYOR, ATTORNEY AND ALDER-
MEN INSPECT LIGHTING
AND WATERWORKS.

Hill and G. J. Smith of Geneseo were here today in conference with the Dixon city officials in regard to the lighting and waterworks conditions here. The Geneseo council is at present engaged in forming franchises for such utilities and the officials are seeking information from various other municipalities.

COMPLAINANTS WIN IN DRAINAGE CASE

JUDGE HEARD INSTRUCTED THE
JURY TO FIND AGAINST DRAIN-
AGE COMMISSIONERS.

In the circuit court yesterday afternoon after hearing the evidence in the case brought by the People upon relation of Thomas Halligan, M. J. Halligan, Bernard McCaffery, Mary McCoy, Elizabeth Haley, Ann Donovan and James Delaney vs. J. R. McCormick, E. Watkins and J. C. Lally, drainage commissioners of Union district No. 1 in the towns of Harmon and Marion, Judge Heard instructed the jury to find for the relators or plaintiffs and against the commissioners. The case was brought on quo warranto proceedings and attacked the right of the commissioners to do some things relating to the district. There was no business in the court today, Judge Heard going to Freeport to spend the week end.

DANCE PROCEEDS FOR BIG MAINE MONUMENT

PARTY MAY 7 IN ARMORY BY U.
S. W. V. FOR FUNDS FOR
MEMORIAL.

Baldwin Camp U. S. W. V. of this city will give a dancing party in Armory hall May 7, the proceeds of which will be the local veterans' contribution to the big National Maine Monument which is being erected at the southwest entrance to Central Park in New York City. The memorial, which is one of the largest monuments of its kind in the country, will be unveiled the approaching Memorial day and the funds for the massive monument will be furnished entirely by popular subscription and by men who followed the colors during the Spanish campaign.

The tickets for the dance will be arranged so each purchaser may sign his name as a contributor to the memorial in memory of the soldiers and sailors who went down in the Maine and when the work is completed a big memorial booklet is to be published, giving a full description of the monument and the names of all who assisted in the work.

STAGE MANAGER IS READY FOR TONIGHT

MAKES HIS FINAL PLANS FOR
THE CLASS NIGHT
EXHIBITION.

The Y. M. C. A. gymnasium has been nicely decorated for this evening's entertainment by the physical department.

Between 300 and 400 people will be provided for, so that no one need stay away for fear of over crowding. The clowns are all ready to spring their original (?) jokes, and the pompous stage manager is making his final preparations at this hour—making his toilet, doncherknow.

One of the features will be in the swimming department, where a young man with all his clothing over his bathing suit will be pushed into the tank and will divest himself of the clothing without leaving the water.

TO LET CONTRACT FOR NEW BRIDGE

OGLE COUNTY AND GRAND DE-
TOUR MEN CONFER WITH DIX-
ON COMMISSIONERS.

W. A. Hunt, C. E. Davis and John Eckerd, bridge committee of Ogle county board of supervisors, and Marvin Davis, J. W. Meyers of the Grand Detour highway commissioners, were in Dixon yesterday conferring with the commissioners of Dixon township regarding the repairs of the county line bridge, the abutment of which was washed out this spring. Proposals for the work will be received at Town Clerk Steel's office until May 6, when the contract will be let.

DAYTON FLOOD PICTURES

AT FAMILY THEATRE

The Family theatre will show the celebrated Lubin moving pictures of the Dayton Flood tomorrow, Friday, evening. These photos were taken when the flood was at its highest and are said to be the most realistic on exhibition.

In order to get an accurate idea of the terrible calamity the water caused in and around Dayton, one should see these pictures which were taken by the Lubin Co.

A FLY CATECHISM.

Where is the fly born? In manure and other filth.
Where does the fly live? In all kinds of filth. He carries filth on his feet and wings.
Where does the fly go when he leaves the manure piles and the spittoon? He goes into the kitchen, the dining room and the stre.
What does the fly do there? He walks on the bread and vegetables, bathes in the milk and wipes his feet in the butter.
What diseases does the fly carry? Typhoid fever, diarrheal diseases, diphtheria, scarlet fever and any communicable disease.
How can the fly be prevented? By destroying all the filth about your premises. Screen the privy vault, cover the manure bin, burn all waste matter, destroy your garbage, screen your house.
Either man must kill the fly or the fly will kill man.
Prevent the Fly.

EDITORIAL

DRASTIC ACTION, NEEDED.

When a girl or woman cannot walk the streets of peaceful Dixon unmolested, no matter how dark the night or how lonely the section of the city, without being attacked by a beast of a man, or even accosted by a fresh "masher" with insulting invitations, it is time that action be taken to teach such undesirable citizens a lesson that will show them and others of their ilk the error of their ways and the unhealthfulness of their occupation.

Whenever possible, women should report immediately to the police when they are annoyed by men and a few stiff court sentences for such buzzards might enlighten their diseased minds regarding the view that decent people take of their conduct.

Heretofore Dixon has been remarkably free from the species of animal under discussion. It would appear, from recent occurrences, however, that a funeral or two would make this a better city to live in.

O'CONNER BILL PASSED BY SENATE

SENATE ALSO CONFIRMS AP-
POINTMENTS BY DUNNE TUES-
DAY AND WEDNESDAY.

Springfield, Apr. 24—Special to Telegraph—The senate today passed the O'Connor bill, which gives cities in the state the right to reclaim submerged lands and to operate docks and harbor structures. The bill is practically the same as one passed two years ago, the validity of which was questioned. The bill was passed with an emergency clause. The senate also confirmed the appointments made by Gov. Dunne Tuesday and Wednesday, no opposition to the governor's action being registered.

MOTORCYCLISTS ON THE CARPET

OFFICERS COMPELLED TO WARN
SEVERAL MACHINE OWN-
ERS TODAY.

The local police officers have been compelled to call a number of Dixon motorcyclists on the carpet because of the carelessness with which they operate their machines in the city, especially in the business district. It is said that some of the offenders have been known to run their cycles at a speed of from 35 to 50 miles an hour within the city limits, frightening horses and narrowly missing several accidents.

ALLEGED SALE OF DECAYED MEAT

DIXON WOMEN CLAIM THEY
WERE SOLD SUCH BY LO-
CAL BUTCHER.

According to evidence furnished local authorities this afternoon one Dixon butcher has been selling meat that was in the process of decay. It is likely that an inspection of his stock will be made.

The women who claim they had purchased meat from the butcher in question made complaint to city officials in regard to the matter this afternoon, bringing specimens which they said had been bought at his shop.

The women say they endeavored to cook the stuff, but upon putting it upon the fire the stench was so great as to immediately call their attention to it.

LICENSED TO WED

A marriage license was issued yesterday afternoon to Charles J. Mangers and Miss Maud May Bryson, of Sterling.

Joe Glavin went east this morning.

Miss Louise Kerstie of Polo was a Dixon visitor on Wednesday afternoon.

STARS MUST HAVE PATRONAGE AT FAIR

BASEBALL BAZAR DOES NOT
HAVE THE CROWDS IT
DESERVES.

NEED FUNDS FOR UNIFORMS

If Dixon Fans Want Baseball Team
This Summer It Is Up to Them
to Do Their Share.

Dixon fans will have an opportunity the rest of this week to show whether they want a ball team in the city this summer or not, for on the success which attends the Dixon Stars fair at Rosbrook hall the remaining three nights depends the continuance of the team.

The boys have gone to considerable expense to give Dixon a good team, as in the past three years and among other expenditures is a large one for the new uniforms, which are on exhibition at Eli's and which that gentleman says are the finest uniforms ever purchased for any Dixon team.

Need Assistance.

The boys are attempting to pay for these uniforms without asking donations in any way, but thus far their efforts have been discouraging. The attendance at their bazar is not near what it should be and unless the business is much better the next three nights some other method will have to be devised to pay for the uniforms. The members of the team have discussed the proposition pro and con and have announced that if they cannot receive the liberal patronage they believe they deserve for having given the fans their only baseball during the past two seasons they will not attempt to play any games in Dixon this summer.

General Dance.

They have decided to abandon the bazar idea for the remaining three nights and the general admission will entitle patrons to dance the entire evening. Also ladies will be admitted free and it is hoped that the change in the manner of conducting the entertainment will result in a large attendance tonight, tomorrow and Saturday nights.

FRIENDS OF LITTLE

GIRL PAY TRIBUTE

The funeral of Miss Almada McGowan was held this morning at 10:30 o'clock from St. Patrick's Catholic church, Father Foley officiating. Interment was at Oakwood cemetery. The pall bearers were selected from the boy friends of the little girl. They were Walter Barry, Sherwood Dixon, Hollis Drew, Merritt Lord, Royal Fitzsimmons and Paul Byers.

STARTS MOWING SEASON.

George Eichenberg, caretaker of the court house, announces that he is the first Dixon man to use a lawn mower this year. He started to trim the court house lawn yesterday. Any disputants of the claim should make themselves known.

DON CASH IN FREEPORT JAIL.

Freeport Daily Standard: Don Cash, the Dixon youth who was fined \$250 by Judge Carpenter yesterday in the federal court for using the mails to defraud, is now in the Freeport jail. The youth's father will probably leave him there for a few days or possibly a few weeks so as to punish him for his wrong-doing.

Social Happenings

Entertained Tuesday

Mr. and Mrs. Royce Edwards of Amboy entertained a number of friends Tuesday evening at their home in a quiet way celebrating the fifth anniversary of their wedding. 500 was the game enjoyed and very happy evening is reported by all having the pleasure of attending. Mrs. Edwards served a delicious luncheon at midnight. Her table was beautifully decorated in red roses and ferns. From the chandelier were festooned red satin ribbons to each corner of the table.

Amboy Wedding

A wedding of much interest to the people of Amboy was that which took place yesterday morning at 7 o'clock at St. Patrick's Catholic church of that place, uniting the lives of Miss Catherine Boyce, daughter of Mr. and Mrs. John Boyce, residing northwest of Amboy and Edward Loan, also of Amboy. Father Cullum performed the ceremony, celebrating nuptial mass. The wedding was witnessed by a large circle of relatives and friends. Miss Minnie DeVille played the wedding march. The bride was attended by her sister, Miss Hannah Boyce, as maid of honor, and Michael Loan brother of the groom, was best man.

The bride was handsomely gowned in white messaline and mull and wore a picture hat of white. Her flowers were bride's roses and buds, carried in an arm bouquet. The maid of honor was in a beautiful white gown and she carried bridesmaid's roses.

Mendelssohn's wedding march, was played as the bridal party left the church. A wedding breakfast was served to the relatives later at the home of the bride's parents.

The bride is a young woman possessing many friends and has for the past eight years been employed as bookkeeper at the Amboy Grocery company. Mr. Loan is in business in Amboy.

Mr. and Mrs. Loan came to Dixon and from here left for Chicago. The wedding trip includes Denver, Colo., and North Dakota.

Mr. and Mrs. Loan will be at home after June 1st to their many friends in Amboy.

Mr. and Mrs. Bert Snyder of Oregon, and John Boyce of Chicago were among the out of town guests.

Colonial Dance.

The Colonial club will give a dance at the new Armory tomorrow night. Slothower's orchestra will play. A number of guests from Sterling and other towns are expected to attend.

Embroidery Club

The members of the Flag Corners Embroidery club held a pleasant meeting Tuesday evening with Miss Edna Nowell. The evening was spent with the needle and afterwards delicious refreshments were served at the table decorated in flowers and ferns.

If you wish to see Dr. T. C. Brown, the Chicago Eye Specialist, who visits Dixon every six months, remember the dates. He will be at Dixon Inn Hotel week of May 5 to 10. 974

Tillman-Royer

The marriage of Miss Cora Tillman, daughter of Mr. and Mrs. Eli Tillman of Penrose and Mr. George Royer, son of Mr. and Mrs. Al Royer of Sterling occurred Saturday evening at 8 o'clock at St. John's Lutheran parsonage. The ceremony was performed by Rev. E. C. Harris in the presence of the immediate relatives and friends. The bride wore a lilac voile dress with hat to match. She is a charming young lady and well known in Penrose.

The groom is a splendid young man and is working at the Archie Maxwell farm near Penrose. He is well known and has a large circle of friends who wish him the best of success and happiness.

Engagement Announced

Polo Press—Out of town friends of Miss Florence Hedrick of this city were recently apprised of her engagement to Chester F. Miller, Superintendent of the Polo schools for the past two years. Miss Hedrick is the daughter of Mrs. Martha Hedrick, and is one of Polo's most charming and accomplished young women. She graduated from the Polo high school with the class of 1908 and from Smith college in 1912. She is a talented musician and a member of the Lutheran church choir.

Mr. Miller has served as superintendent of the Polo public schools for the past two years and under his administration the schools have made rapid and consistent progress. He is a man of winning personality and deservedly popular.

Attended May Party

Miss Nellie Coffey of Rockford, Misses Hayes and Kahler of Rochelle were out of town guests in attendance at Marquette May party last evening.

Guests of Mrs. Woolley.

Mrs. Benjamin Good and daughter, Mrs. Arthur Stoner of Polo, are guests at the home of Mrs. Edith Woolley of East Chamberlain street.

Party Was Great Success.

Two hundred and thirty couples, one of the largest crowds that ever attended a Marquette dancing party, were present at the club's annual May party at the Armory last evening, and all pronounced the affair one of the most enjoyable ever conducted by the club.

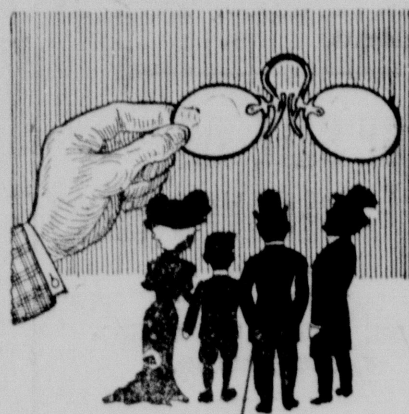

The floor was in excellent shape, the decorations, consisting of floral wreaths, palms, etc., adding to the attractiveness of the new hall, and the music, furnished by Benson's orchestra of Chicago, under the direction of E. E. Sheetz, formerly of Sterling, was pronounced superb by the dancers. There were scores of out of town guests present, a list of whom was impossible because of the big crowd.

St. Anne's Guild.

St. Anne's Guild will meet Friday at 2:30 p. m. at the Guild rooms.

The Dayton Flood will be shown at the Family theatre tomorrow evening.

WHAT YOU HAVE BEEN WAITING FOR

Hundreds of people are in need of properly fitted eye glasses, but do not know where to go for them, or whom to trust with their most precious possession (their eyes).

I have fitted over 4000 People

In This County to Glasses.

You can trust a man who has such a record of satisfied patients. I am in Dixon to stay and have an office fitted up especially for testing eyes and fitting glasses correctly.

A trial is my most convincing argument.

TUESDAY EVENINGS

At Anderson Home.

Last evening at the home of Mr. and Mrs. O. B. Anderson on North Galena avenue, 18 young folks were delightfully entertained in honor of the home-coming of the young men of the family, George and Charles, who have been in Iowa, Charles teaching at Boone and George being employed at Ogden. The guests were friends and former schoolmates and the reunion was greatly enjoyed. Games and music helped to pass the evening and a number of flashlight pictures were taken to perpetuate the pleasant scenes. Dainty refreshments were served and an enjoyable evening will long remain a memory to those present.

Missionary Society

The Woman's Missionary Society of the Presbyterian church will meet with Mrs. D. B. Raymond, 706 N. Crawford avenue, Friday afternoon at 3 o'clock.

Attended Party.

Among the out of town guests at the Marquette May party last evening were John Sheehan, Frank McMahon, Will Archer, Jerry Clancy, Misses Marie Horrigan, M. O'Neil, Mayme Clancy, Mary Maddick, Chicago; Misses Bull and Ferris, Sterling; Miss Lois Pierce, Princeton; Walter Levi, Aurora.

Royal Neighbors to Meet.

The Royal Neighbors will hold a meeting tomorrow evening in Union hall.

St. Agnes Guild will hold a business meeting tomorrow at 3 p. m. at the Nachusa house. Business of importance will be transacted and a good attendance is expected.

Colonial Club.

The Colonial club will hold their regular dancing party tomorrow evening in Armory hall.

Married Today

Martin Halbmaier and Miss Verna Johnson were married this morning at 8 o'clock at the West Brooklyn Catholic church Rev. Krug officiating. They were attended by Miss Anna Halbmaier and George Halbmaier, sister and brother of the groom.

Business Meeting.

The Junior League of St. Paul's Lutheran church will hold a social and business meeting at the church Friday evening. All members of the Sunday school from 10 to 16 years are invited. A small admission fee to pay expenses will be charged.

Attended Party.

Mrs. Boyd, Miss Mary D. Ritchie and Mr. Bartoldi of Morrison attended the Marquette club dance in Dixon last evening.

GRANT'S BIRTHDAY APRIL 27.

Gen. Grant's birthday anniversary, April 27, coming on Sunday this year, will be celebrated by the Galena Grant Birthday association Saturday, April 26. Former U. S. Senator Bailey of Texas will deliver the address. The Plattville State Normal band and glee club will furnish music on the street and in the hall. The Milledgeville drum corps has been secured to furnish music. It is expected that there will be a big parade of autos, carriages, bands, militia, old soldiers and school children. A special train will be run over the C. G. W. from Pearl City, returning in the evening. The Gazette says the interest is greater this year than any previous year.

IS IMPROVING.

W. W. Lehman, who was so badly burned in a recent gasoline explosion in his dye works, is improving slowly. At first it was believed he would lose several fingers but the chances now are that he will not.

BOY SCOUTS AT POLO

Polo will soon have a Boy Scout organization. Sunday afternoon a meeting of men and boys was held at the Methodist church to consider the advisability of a Boy Scout organization. There was a good attendance and considerable interest was shown.

WILSON RUSHES BRYAN TO COAST

Secretary to Start West Tonight in an Effort to Frame a Land Law.

ACTION MOST UNPRECEDENTED

California Legislators Adopt Resolution Practically Inviting Cabinet Head to Visit Coast, with Two Japs Watching Every Move.

Washington, April 24.—At the conclusion of a conference arranged at the request of President Wilson between Ambassador Chinda of Japan, Secretary Bryan and John Bassett Moore, counselor to the state department, Mr. Bryan, made this comment here:

"The situation growing out of the controversy between the United States and Japan over the California land legislation is giving us deep concern."

Ambassador Chinda was asked concerning a statement in which he had been quoted as saying that Japan would not declare war against the United States even if the legislation characterized by the Japanese people as offensive is enacted.

"Predictions Are Impossible. 'I could not have made such a statement,' replied the ambassador. 'It is not possible to predict what contingency might arise.'"

Two hours later Secretary Bryan was making his arrangements to start for Sacramento as the result of an urgent request made by the president that his personal representative be allowed to address the California assembly and senate before the final step was taken. Secretary Bryan will leave Washington late this afternoon and expects to arrive in California early on Monday. He declined to tell what arguments he will make to the California lawmakers.

Johnson Will Be Glad to See Bryan.

Sacramento, Cal., April 24.—In response to a telegram from President Wilson asking if it would be agreeable to the governor and the California legislature to have Secretary of State Bryan visit Sacramento for the purpose of counseling with them concerning alien land legislation, Governor Johnson wired the president as follows:

"I shall at all times be pleased to consult with the secretary of state, and it will be entirely agreeable to me to have the secretary visit Sacramento, as suggested in your telegram."

When the legislators began stirring they found themselves confronted with an unprecedented situation on the anti-alien land bill.

President Wires Legislators.

For President Wilson had telegraphed both houses of the legislature and also the governor that he wished to send no one less than Secretary of State William Jennings Bryan to Sacramento to "counsel" with legislators concerning the land laws to be adopted.

It was stated that no such federal interference with rights of a state legislature had ever been before attempted in the history of the country.

On the great fundamental principle of state's rights, however, there was an astonishing "reversal of form."

Leaders Hold Conference.

As soon as the receipt of the president's message became known, Senator A. F. Hoynton, president pro tem of the senate, got the administration leaders into a conference in the governor's office, to formulate some progressive party policy in the matter.

Governor Johnson declined to take any part in the conference, but it was continued in one of his offices. The governor seemed to think that, as the presiding officer of the legislative bodies had been addressed on the matter, the legislative reply was no affair of his.

It was finally decided to quote the president's telegram in a whereas, and follow that with the following:

"Now, therefore, be it resolved, by the senate of the state of California that while this senate respectfully maintains the right of the legislature of the state of California to legislate on the subject of land ownership with in the state, it will be entirely agreeable to this senate to have the secretary of state of the United States to visit Sacramento for the purposes indicated in the president's telegram and."

"Be it further resolved, that in view of the probable early adjournment of the legislature, the secretary of the senate be and hereby is instructed to transmit forthwith the resolutions by telegram to the president."

Japanese Watch Proceedings.

This was the resolution finally carried to the senate, while two educated Japanese kept close watch on everything from seats in the gallery. The assembly had first muttered about a resolution to warn Bryan to keep away and to tell the president to mind his own business, but when the resolution prepared by the senate conferees reached the lower house, it was accepted as the progressive doctrine.

The resolution was then adopted by the vote of 59 to 11.

Killed When Auto Overturns.

Danville, Ill., April 24.—John Hance, a wealthy farmer living near Newman, south of this place, was instantly killed when an automobile, which he was driving, overturned with him.

Dramatic Notes

FAMILY THEATRE

For the last half of the week beginning tonight a splendid attraction has been secured in Little Babe Wilson, a diminutive comedienne who will some day rank as one of the foremost impersonators. She is billed to-day as the cleverest little comedienne in vaudeville and her work is unusual and must be seen to be appreciated.

As an extra attraction the management has secured the Musart Trio in a singing and instrumental novelty that has heretofore been seen in metropolitan cities.

These numbers and the most up-to-date motion pictures complete the program.

Pictures this evening:

The Engineer,
Sweeney and the Millionaire,
The Love That Turned.

Max Danning, the Chicago architect who designed the new Dixon National bank building, was here today.

Ray Miller was in Fulton today on business.

The Misses Briggs of Sterling attended the Marquette club dance last evening.

F. E. Colahan of Freeport was in Dixon yesterday.

Will M. Webb of Rockford was here yesterday.

Stephen Thomas of Easton was here yesterday.

W. W. Holton was here yesterday from Steward.

V. A. Matteson was here from LaSalle today.

Lee Reid went east this morning on business.

Gene Harrington went east this morning.

The Dayton Flood will be shown at the Family theatre tomorrow evening.

DEMENTTOWN ... DOINGS

Will Ford, who has broken into this col. before as an accomplished barber and other things, now has a new way of getting before the public. He wants it understood that hereafter he will be the assistant of the coroner's officials—if he can run fast enough to get to the rooms before anyone else.

Strawberries are now in style—if you have the price.

And likewise Dementtown is to have a rest room. P. O. says that half the people on the Ave. have had rest enough and such an innovation will not be needed.

Gosse Hollow Letter

One of the high-toned social events of the season at Hickeyville was the reception by the Barkin Soap club to their husbands. Tea and wafers were served. Mrs. Anse Frisby, who entertained the club, expected to have some of that pink tea she has heard so much about, but could not get any, so had to serve the ordinary kind.

Uncle Ezra Harkins says he hopes spring will hustle up as he has only one parlor sofa and three rods of rail fence left for fuel.

Lem Hoskins was walking across the field the other day with a stick of dynamite in his pocket to blast a stump when he was the victim of a collision with a playful pet goat. The doctors say Lem will be out some time next fall.

Anse Frisby, our banker and capitalist here at Hickeyville, is looking for a first-class chauffeur, one who can take a car apart; put it together and one who has a fine technical education. All the chauffeur will have to do beside taking care of the car, is to mow the lawn, tend the

furnace, wait on table, press the boss' clothes, run errands, wash dishes and pounds rugs. Salary \$12 per week.

Miss Hepsibah Tuttle, our school teacher, has had several proposals of marriage since she has been in our midst, but she says on account of the modest income income allowed to school teachers nowadays it is about all she can do to support herself.

Miss Pansy Jones' new spring skirt is so tight that she can't lean over far enough to turn a wringer or chase a red flannel shirt up and down a washboard.

It certainly beats all how many inconspicuous strangers always get into a president's cabinet. Some of them never even had their names in the paper for recommending a patent medicine.

King Solomon had a thousand wives, but he had a snap at that. Not one of 'em buttoned up the back.

Hank Peters says he expects to go to an art school soon to learn to be a dentist. A dentist, he says, has to do a lot of drawing.

Miss Pansy Tibbitts made some pancakes out'n a recipe she read in a magazine, and now her father has 'em on sale at his store as asbestos stove mats.

The only feat feat more difficult than feedin' red pepper to a wildcat, is tryin' to get a six-inch stovepipe into a five-inch chimney hole.

Mrs. Anse Judson hung her husband's dress coat out on the line and the goat ate the tails off. Now it is a Tuxedo.

FREE ECTURE TUESDAY NIGHT

JOHN I. GIBSON WILL DELIVER INTERESTING LECTURE IN ARMORY.

Why should you become a British subject as so many American citizens are doing? 795,726 red-blooded Americans have crossed the border into Canada during the ten years ending Dec. 31, 1912.

The Western Michigan Development Bureau is doing what it can to stop this drain by calling attention to the millions of acres of cheap, fertile land, in Western Michigan, The Land of Fruit and Fortune.

Secy. John I. Gibson of this bu-

reau will be in Dixon, at the old Armory Hall on Tuesday, April 29th, 1913, at 8 p. m., where he will show more than one hundred colored pictures of this rapidly developing region, where the crops never fail, and will tell of the splendid chances of owning a farm, for a small investment of money, that are to be found right at home.

The admission to Mr. Gibson's lecture will be free. He will discuss the question of the application of the co-operative system to agricultural production, finance and distribution, and will tell of how this is done in Europe, where he studied the matter at first hand.

NOTICE OF AWARD OF CONTRACT

Public Notice is hereby given that the Board of Local Improvements of the City of Dixon, in the County of Lee and State of Illinois, at a regular called meeting of said Board, held at the City Clerk's Office in the City of Dixon, at two o'clock p. m., on Monday, the 21st day of April, A. D. 1913, awarded a contract for furnishing all material, tools, machinery and labor for, and the construction of concrete curbing and paving of the driveway portion of Third Street from the west line of Douglas Avenue, in said City of Dixon as provided for in City of Dixon Local Improvement Ordinance Number 140, Series of 1912, to Gund, Graham Company, Freeport, Illinois.

That said Gund, Graham Company was considered by said Board to be the lowest responsible bidder who submitted a proposal to furnish all material, tools, machinery and labor for the construction of said improvement.

That the price at which said Gund, Graham Company was awarded said contract is approximate quantities: 5358 linear feet of concrete curbing at twenty-seven (27) cents per linear foot,

20653 square yards of vitrified brick or block paving (Barr or Purington) brick to test 21 per cent at One 51-109 dollars (\$1.51) per square yard.

Filler of approved asphalt is included in the above named price per square yard.

That said Board will on or after the 3rd day of May, A. D. 1913, enter into a contract with said Gund, Graham Company to furnish all tools, material, machinery and labor for said improvement, unless the requisite number of property owners or their agents, who shall take oath that they are such owners or agents, shall within ten days after the first publication of this notice, enter into a written contract to do the whole of said work at ten (10) per centum less than the price at which the same has been awarded and commence said work within thirty days after such publication and prosecute the same with diligence.

Dated at Dixon, Illinois, this 23rd day of April, A. D. 1913.

Best Method of Planting the Orchard

The following bulletin on "Planting the Orchard," has been issued by G. R. Bliss, agricultural advisor for Scott county, Iowa:

Spring is preferable for planting. The tree has a longer time in which to become established and prepare to resist the severe winds of winter. If set out quite early in the spring it will be sufficiently at home by mid-summer to live through the dry, scorching weather of July and August. One can usually expect an abundance of rainfall interspersed with cool weather in April, May and June. These are the very conditions which favor the newly transplanted trees.

Select the trees carefully. Each one should have a good root system as well as a straight and well balanced top. All mutilated, injured or diseased roots had best be removed. Whether the trees are directly from the nursery or have been stored or healed in during the winter, they must be planted promptly after being taken up. Do not expose the roots to the air for any length of time.

The holes ought to be dug of good size to comfortably accommodate all the roots. The tree will thrive best if planted about three inches deeper than it stood in the nursery row. The bottom of the hole should be made fine and mellow with the spade. After the tree is in place throw a little loose dirt and then if possible, pour in a gallon or two of water. Put in the rest of the dirt and tramp firmly.

The top of the tree should now be cut back quite heavily. If the tree is only a whip, pruning back the top will induce it to send out lateral branches. Cut off at the place where branching of the trunk is desired. In pruning, symmetry and regularity of growth should be maintained. It is often advisable, especially on a south slope, to slant the trees slightly to the southwest and leave a heavier growth of branches

on that side as a protection against sun-scall.

After the site has been chosen, the soil should be carefully prepared before the trees are planted. It is often advisable to fall plow. This is especially true if it is sod or a weedy piece of ground. Fall plowing helps to destroy many insect pests, such as cutworms, wireworms, etc. It also insures a thorough pulverizing of the soil. All rubbish or stalks which harbor mice, insects, or other pests, or which interfere with cultivation, should be cleared away.

Unless it is already very rich, a liberal coating of manure should be applied in the fall and then plowed under. This adds humus as well as fertility, and renders the soil more open, mellow and light. By applying in the fall the organic matter has time to decay and be readily available in the spring when needed by the young trees. The plowing should be done deeply and thoroughly.

In Iowa commercial fertilizers can hardly be recommended when green manures and stable manures are so much less expensive and more satisfactory. A clover or alfalfa crop is a very good preparatory crop for the orchard. These legumes should be depended upon quite extensively as fertilizers and humus' builders in the early life of the orchard.

Early in the spring the ground should be disced and harrowed until it is in a mellow, open, loose condition and the weeds which start have all been destroyed. Then the ground is ready to be platted and the trees put in. Many orchardists follow the custom of plowing the ground in long, narrow lands in the fall; that is, in back furrowing a land the width desired for a tree row and leaving a dead furrow where the trees are to be. Then in the spring after the young trees are set out they back furrow again, this time throwing the dirt towards the rows of trees.

AMBOY NEWS IN SHORT LETTER

Instant Relief for Sore Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time by TIZ.

Send at Once for Free Trial Package.

Policemen all over the world use TIZ. Policemen stand on their feet all day and know what sore, tender, swollen, swollen feet really mean. They use TIZ because TIZ cures their feet right up. It keeps feet in perfect condition. Read what this policeman has to say: "I was surprised and delighted with TIZ for tender feet. I hardly know how to thank you enough for it. It is superior to powder or plaster. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ. I am a Policeman and keep on my feet all day." —Emory Harrell, Austin, Texas. You never tried anything like TIZ before for your feet. It is different from anything ever before sold.

TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous excretions which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain and you'll forget about your corns, bunions and calluses. You'll feel like a new person. If you allow your head to be swayed in favor of taking a substitute for TIZ, you'll have to answer to your feet. For there is nothing else will ensure your feet being well. TIZ is for sale at all drug stores, department and general stores at 25 cents a box. Money back if TIZ doesn't do all we say. For a free trial package write today to Walter Luther Dodge & Co., Chicago, Ill.

Don't Suffer With Chronic Disease I CAN CURE YOU

I will give my services free at the Nachusa house from 9 A. M. Friday, April 25th until 3:45 P. M. Saturday, April 26th to prove it.

DR. EDWIN O. GABLE,
Neuropathic Specialist.

I am glad to announce to my patients and every person suffering with chronic disease or weakness, that I will make my return visit to the Nachusa House from 9 a. m. Friday, Apr. 25, until 3:45 p. m. Saturday, Apr. 26. My Neuropathic system of treatment cures diseases by removing all the impurities from the blood by restoring normal circulation and secretions, and by relieving the pressure on, and irritation of the nerves. When this is done, I say that every chronic case is bound to get well. No matter what organ of the body is affected, it will get perfectly well when this is done. I have had the most remarkable success in curing

many chronic cases where all other treatments had failed. No matter how long you have suffered or what your disease is or who has pronounced you incurable, I ask you to come to me. Let me examine you and see if you can be cured by this new system of treatment. I will give you a free examination, my professional opinion, and my services and advice FREE of charge.

This new system is very successful in all forms of chronic diseases of the heart, many cases of valvular trouble have been completely cured. It gives immediate relief to irritation and weakness of the muscles and nerves of the heart. I absolutely believe that I can cure every case of acute and Chronic Rheumatism, no matter in what form or how much you have suffered. It removes the rheumatic poison from the blood and the disease from the body. This treatment gives immediate relief to diseased lungs, to kidney diseases, irritation and diseases of the bladder and all forms of weakness of these organs. It cures blood diseases, skin troubles, such as eczema, pimples, etc. It gives immediate relief to stomach troubles, dyspepsia, fermentation. It cures constipation and liver troubles, and I claim is the only cure for nervous and brain disease.

I want you to understand that I do not pretend to cure every case of these troubles. If the disease has too badly destroyed the structures before I see the case it is incurable. This is why it is necessary for me to make a personal examination of each case. I must see exactly what the trouble is, then I can tell you positively whether or not I can cure you. I treat all forms of chronic diseases and weaknesses of the eyes, failing sight, catarrh and deafness, head noises and sick headache. If you suffer, come and see me. There will be no charge for my services to all who call this trip. I am making regular visits to Dixon each month and I want to examine and treat as many people as possible to show them that my new remarkable system of treating diseases is the only scientific treatment and that it does cure where all others fail. Remember, I invite every sufferer, rich or poor, to call on me this trip. It may mean everything to you. Let me demonstrate my new system of treatment.

DR. E. O. GABLE, Chicago Address, 6132 Langley Avenue.

WHY

Should the Farmer Get Only 35c on the Dollar for His Produce? "There's a Reason"

John I. Gibson, Secy. of Western Michigan Development Bureau, a Michigan Corporation not for profit, will discuss this and other questions of vital interest to the farmer and to everybody who has to eat to live, in his free illustrated lecture:—

Western Michigan the Land of Fruit and Fortune

With the aid of more than 100 colored pictures, Mr. Gibson will tell of the cheap, fertile land, healthful climate, good roads and great possibilities, especially to the man of small means, of this rapidly developing region, where better farming, better business, and better living are the watch words.

More than 3500 new settlers have come into Western Michigan during the past four years.

You will not be asked to buy land as the Western Michigan Development Bureau is supported by taxation and has nothing for sale.

"Our Personal Guarantee to all Skin Sufferers"

We have been in business in this town for some time, and we are looking to build up trade by always advising our patrons right.

So when we tell you that we have found the eczema remedy and that we stand back of it with the manufacturers' iron clad guarantee, backed by ourselves you can depend upon it that we give our advice not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons.

We keep in stock and sell all the well known skin remedies. But we will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or better, we want you to try a full size bottle of D. D. D. Prescription. And, if it does not do the work, this

bottle will cost you nothing. You alone to judge.

Again and again we have seen how a few drops of this simple wash applied to the skin, takes away the itch, instantly. And the cures all seem to be permanent.

D. D. D. Prescription made by the D. D. D. Laboratories of Chicago, is composed of thymol, glycerine, oil of wintergreen and other healing, soothing, cooling ingredients. And if you are just crazy with itch, you will feel soothed and cooled, the itch absolutely washed away the moment you applied this D. D. D.

We have made fast friends of more than one family by recommending this remedy to a skin sufferer here and there and we want you to try it now on our positive no-pay guarantee.

SWEETEST THINGS NEAR

By Elmer Allen Bess.
The common things of life are most of life.
If we could obtain the key to work and strife;
And could we know the inner meaning here,
We might perceive that sweetest things are near.

O, we would travel by far winding steep
To gain the treasures which our souls would keep;
And we would scale the noblest snow-clad height
To find the vision for our heart's delight.

We search beyond our little group, around
Where we imagine brilliant friends abound,
While common friends who wait at every turn
We often teach ourselves we ought to spurn.

Full tribute from a simple love they give,
And we neglect it, 'till it cease to live;
Then, late, too late, we gaze on loves we miss,
And realize that what we had was bliss.

We have heard all about the pot of gold at the end of life's rainbow, but rather imagine it would take more than the magic luck of the rabbit's foot to obtain one little vision of it. We are satisfied our theory is correct, that good things, sweet things,

true things, are near us, but we go on traveling the rainbow road, romancing about it if we would happen to find the prize.

Well, whatever may be true in the realm of Aladdin's magic, in Arabian tales, hard sense and the reality of the evidence will disclose some day that we were traveling away from our best friendships, when we looked afar to find them. They are right here beside us; the best angels have no wings; they are just people, with benign faces and hands calloused in service.

We know it when they have started on the long way through the outward swinging gates of earth, but then it is too late to improve our conduct toward them. Yet the biggest lesson might be learned right there, if we were keen to see and act: There are friends still near us, as worthy, as good, true and sweet, as those we knew and neglected. What are we doing for them?

Gas and Gasoline

OIL

Old-time Coal Range

Means

Less Fuel More Heat

The coal range is a near approach to ideal heat distribution for cooking. But its heat in summer is killing. Gas and gasoline keep down the kitchen's temperature. Still, their distribution of heat is wasteful. Too much goes out into the room. No one wants a coal range. Besides the heat, there's ashes to contend with. And coal soot, dirt, draught and a dozen other things. Gas and gasoline are cleaner. But not as efficient as the old coal range. Gas, gasoline and coal range—all lack something. The New Perfection Wick Blue Flame Oil Cook-Stove is ideal in every respect. It burns oil. At two-thirds the cost of gas, and half the cost of gasoline.

New Perfection Oil Cook-stove

The design of its burner is such that all the heat is concentrated upon the bottom of the cooking vessel. None of it escapes or goes to waste. Safe, sure and inexpensive. Ask your dealer for a demonstration of this wonderful stove and its many useful attachments. See how it boils, bakes, broasts and roasts better than any coal range.

SCUTARI CAPTURED BY MONTENEGRO

Turkish Commander Surrenders After Resistance of Over Six Months.

EIGHT THOUSAND MEN KILLED

Fatalities Are Heavy on Both Sides During the Operations—Ottoman Soldiers Fight Hard—Diplomatic Situation Mixed.

Cettinje, Montenegro, April 24.—After a final desperate attack lasting twenty-four hours the Montenegrin troops have forced their way into Scutari. The fortress for six months, since the middle of October, 1912, had offered a stubborn and heroic defense. The act of capitulation was signed by the Turkish commander shortly after the Montenegrin troops had reached the center of the city. Under the conditions of the surrender the garrison was permitted to march out of the city with its arms. The assault which gave the Montenegrins possession of the city which has been the sole object of their war against Turkey began Monday night. The Montenegrin army took the offensive along the entire front. It completely surprised the Ottoman defenders by pushing right up to the Turkish positions, where the combatants engaged in close bayonet fighting. Ottoman Soldiers Fight Hard. Ottoman soldiers made a number of counted attacks and tried with their utmost energy to drive the attacking force out of their works, but they were compelled to fall back and leave their positions in the hands of the besiegers, who received constant reinforcements.

According to one report, Essad Pasha, the Turkish commander-in-chief, realized the uselessness of further resistance after the outlying key position of Tarnakosch had fallen. He is said then to have ordered his troops to cease their defense of the fortress. Another report says that the Montenegrin commander-in-chief had been negotiating with Essad Pasha for the surrender of the place. Still another account says that the Turkish troops defended the city until the last.

Although the Serbian troops did not participate in the final attack, their artillery was used by the Montenegrin gunners, and it is said that to this fact their success was largely due.

Balkan Circles Expect Solution. London, England, April 24.—Although the capture of Scutari by the Montenegrin troops is believed in Europe capitals to have complicated the situation caused by the decision of the powers to include Scutari in the future state of Albania, the opposite view is held in Balkan circles. There the opinion prevails that, the Montenegrins having accomplished the object at which they have aimed since the beginning of the war, they will find it more easy to accept the decision of the powers, and that the latter will be more ready to grant a rectification of the frontier which will satisfy Montenegro.

Eight Thousand Killed in Siege. The Montenegrins are said to have lost 3,000 killed and the Turks 5,000 killed during the siege.

Most of the civilian population remained in Scutari throughout the siege. The inhabitants included about 27,000 Mohammedans and 8,000 Christians. It was said at various times that the people of Scutari were in a condition of semi-starvation, but it appears that there were quantities of grain and other stores within the city.

ALL PUPILS ARE OUT

Pittsburgh Children's Strike Paralyzed School System.

Citizens' Committee Named to Investigate Charges Against Superintendent Heeter—Marching Barred.

Pittsburgh, Pa., April 24.—Hardly ten per cent. of Pittsburgh's 70,000 school children are in attendance at the sessions here. While the disorderly processions through the streets that characterized the situation have been suppressed by the police, aided by parents, large numbers of children congregate about schoolhouses, but soon are scattered by a detail of police that has been stationed at each of the 123 schools in the city.

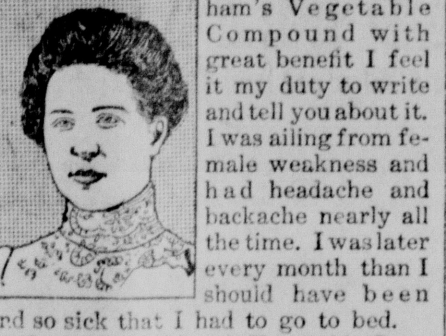

The children arrested when carrying banners demanding the removal of S. L. Heeter, superintendent of schools, were brought before a police magistrate and after a reprimand were turned over to their parents. The police orders are to refrain from arrests of children unless they annoy pedestrians or damage property.

No announcement has been made whether citizens selected by the board of education to investigate the reflections upon the character of Superintendent Heeter will accept the duty imposed on them.

Friend of Dickens Dead. London, April 24.—Mrs. Mary Ann Cooper, a childhood friend of Charles Dickens, who claimed to be the original of "Little Dorrit," died here, aged ninety-nine years.

WOMAN'S ILLS DISAPPEARED

Like Magic after taking Lydia E. Pinkham's Vegetable Compound.

North Bangor, N. Y. — "As I have used Lydia E. Pinkham's Vegetable Compound with great benefit I feel it my duty to write and tell you about it. I was ailing from female weakness and had headache and backache nearly all the time. I was later every month than I should have been and so sick that I had to go to bed."

"Lydia E. Pinkham's Vegetable Compound has made me well and these troubles have disappeared like magic. I have recommended the Compound to many women who have used it successfully."—Mrs. JAMES J. STACY, R.F.D. No. 3, North Bangor, N. Y.

Another Made Well. Ann Arbor, Mich. — "Lydia E. Pinkham's Vegetable Compound has done wonders for me. For years I suffered terribly with hemorrhages and had pains so intense that sometimes I would faint away. I had female weakness so bad that I had to doctor all the time and never found relief until I took your remedies to please my husband. I recommend your wonderful medicine to all sufferers as I think it is a blessing for all women."—Mrs. L. E. WYCKOFF, 112 S. Ashley St., Ann Arbor, Mich.

There need be no doubt about the ability of Lydia E. Pinkham's Vegetable Compound to remedy woman's diseases. We possess volumes of proof of this fact, enough to convince the most skeptical. Why don't you try it?

WILSON TO CAPITOL

President Again Goes to Consult the Senators.

Seeks Opinions of Solons Over Appointments—Tariff Debate Opened by Chairman Underwood.

Washington, April 24.—President Wilson again went to the capitol today and consulted with senators concerning nominations he had prepared. With the senate in session the president decided there would be less inconvenience to the senators if he himself went to the president's room, and consulted them about prospective appointments, than if the senators came to the White House.

The tariff debate is on in the house. Chairman Underwood of the ways and means committee, had marshaled an array for the fight for revision. Mr. Underwood asked unanimous consent that the general debate close when the house adjourns next Monday evening.

The Republican leaders and Representative Murdock, the progressive leader, argued for some time over the division of the minority time between the Republicans and the Progressives. It was finally agreed to give the Progressives five hours of the minority time. Altogether about fifty hours of general discussion in the house will be allowed.

Other parliamentary mixups delayed things, and it was some time before Mr. Underwood began his speech. "The enactment of this bill into law will mark the end of an era in the fiscal administration of this country, and the beginning of a new one," he began, while Democrats applauded.

Mr. Underwood discussed the origin of the present "high tariff system," declaring that it was instituted as an emergency measure during the civil war.

"These unjust war taxes," he said, "have been maintained ever since, and those who had amassed fortunes under it have controlled the government, except for one brief interval."

"Our great responsibility is the interest and rights of the great mass of consumers among the American people. From our viewpoint industry must be considered as secondary to the rights of the consumer."

GETS \$30,000 IN DAMAGES

N. Y. Milliner Awarded Sum Against Interborough Rapid Transit Co.

New York, April 24.—Miss Mabel Noar, a young millinery designer, was awarded a verdict of \$30,000 damages against the Interborough Rapid Transit company by a supreme court jury for injuries received in a subway accident in November, 1911. It was testified that Miss Noar was caught in a sliding door and jammed against an iron stanchion so severely that she suffered a partial paralysis of the body, recurring acute pains in her head, and that she will never be able to resume her duties.

MURDERS SON AND SELF

Yale Graduate and Lawyer Shoots Son—Cuts Own Throat.

New York, April 24.—William Vincent Robbins, Yale graduate and lawyer with offices in Norfolk, Va., and New York, mortally wounded his nine-year-old son, Douglas, and then killed himself in the apartment of his sister-in-law, Mrs. Levy, in the Wellington, a fashionable apartment building in Madison avenue. The child died in Flower hospital. A bullet had pierced his forehead. The father ended his own life with a razor. The motive is a mystery.

FIREMEN WIN AN ADVANCE

Wage Increase of 10 to 12 Per Cent. Awarded by Arbitrators.

New York, April 24.—The locomotive firemen of 54 eastern railroads have won an advance of 10 to 12 per cent. in wages, or about \$3,000,000 per annum, by the decision of the arbitrators, published here. But their demand for two firemen on all heavy engines is denied, although provision is made to have a second fireman put on when necessary.

Wanamaker Chokes to Death. Philadelphia, April 24.—Seized with a coughing spell while eating a piece of beefsteak in a restaurant near Tenth and Sansome streets, Nelson Wanamaker, forty-five years old, a nephew of John Wanamaker, choked to death when the meat lodged in his throat.

To Extend Age Pension. Berlin, April 24.—A bill reducing the age limit at which a German workman is entitled to a pension from seventy years, as at present, to sixty-five was submitted to the imperial parliament by the budget committee.

A LITTLE "CAMPAIGN" OF WANT ADVERTISING IN THE TELEGRAPH WILL SHORTEN AND CHEAPEN YOUR SEARCH FOR A PURCHASER:

A man who wants to buy a horse, or a vehicle; or used furniture, machinery or office furniture—like the man who wants to buy a more—is eager to find the very best possible BARGAIN.

Your ad, if you have something to sell, will find readers awaiting it who want to buy—and who will investigate your offer, if it looks at all feasible.

Dixon, Apr. 24, 1913
 Wheat: Liverpool seems trying to discourage advance falling to respond to yesterday's strength, finally closing 1-4 to 1-2c higher. After a break there was strong advance, lost during the last hour and final prices 3-8 lower than yesterday. It is creditably reported that considerable more wheat was worked from Duluth yesterday than reported out fresh business today, so far as can be learned, has been confined to Manitoba. Light seaboard stocks will prevent liberal clearances until the wheat now on the lakes reaches seaboard, but there is advancing tendency in ocean rates and May and June room well engaged. Continental markets continue strong and advance abroad in last 3 months has been fairly large, while we are below level prevailing then. Depression in futures is not significant in view of prices at which owners of cash wheat are asking for holdings. Market is broadening and likely to show unusual activity in next 60 days. We believe this will be on basis of advancing values irrespective of domestic crop conditions.

Corn: There was little strength at one time but general tone easy and final prices 1-8 to 1-4 lower than yesterday. While cash sales are reported as liberal, greater part is said to be to industrial users locally and eastern buyers show no present anxiety. Fresh shelled corn arriving grades mostly No 2 or choice No 3 and bringing good premiums over prices for May delivery. While many expect increased receipts we don't expect increase because outside markets are above our parity. We don't anticipate material declines under such conditions.

Oats: Slight improvement in cash demand which kept May relatively strong. Other months show easier tendency. There is little immediate prospect of change in price level in

near future.
 Provisions: Sharp decrease in the hogs shipped west stimulate prices for live hogs and caused buying by packers early today. Sharp advance followed with shorts nervous and offers coming largely from profit taking longs.

WORDS FROM HOME

Statements That May be Investigated
 Testimony of Dixon Citizens

When a Dixon citizen comes to the front telling friends and neighbors of his experience, you can rely on his sincerity. The statement of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Dixon resident. No stronger proof of merit can be had.

Julius Gottlieb, merchant, 418 W. First St., Dixon, Ill., says: "All I have previously said in praise of Doan's Kidney Pills holds good and I am glad to confirm my former statement. My back had been causing me considerable trouble and often it was so lame and sore that it was hard to bend over. The kidney action was irregular and I knew that my kidneys were disordered. Seeing Doan's Kidney Pills advertised, I got a supply at Leake Bros. Co.'s Drug Store and they did such good work that I can recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Woman Is As Old As She Looks

No woman wants to look old. Many in their effort to look youthful resort to the "beauty doctor's" prescriptions. Their mistake is that they visit the wrong department in the drug store. Beauty depends upon health. Worry, sleepless nights, headaches, pains, disorders, irregularities and weakness of a distinctly feminine character in a short time bring the dull eyes, the "crow's feet," the sagging look, drooping shoulders, and the faltering step.

To retain the appearance of youth you must retain health. Instead of lotions, powders and paints, ask your druggist for

DR. PIERCE'S Favorite Prescription
 This famous medicine strikes at the very root of these enemies of your youthful appearance. It makes you not only look young, but feel young.
 Your druggist can supply you in liquid or tablet form or send \$1.00 one-cent stamps to Dr. Pierce's Invalids' Hotel and Surgical Institute, Buffalo, N.Y., and trial box will be mailed you.

100 KILLED BY BIG MINE BLAST

Gas Explosion Injures Scores
in a Coal Mine at Fin-
leyville, Pa.

SEVENTY BODIES ARE FOUND

Relatives and Friends of Men Imprisoned Below Gather Frantically at Shaft's Entrance—Business in the Town Is Suspended.

Pittsburgh, Pa., April 24.—The lives of 100 miners, possibly 120, were lost shortly after noon when a disastrous explosion occurred in the Cincinnati mine of the Monongahela River Consolidated Coal and Coke company at Finleyville, about twenty-seven miles southeast of this city. Over three score of workmen in the mine made thrilling escapes to the surface, crawling most of the time on their hands and knees through deadly gas fumes and over debris. A number suffered burns. The mine had been operated for about eighty years and it is said was known to be gaseous.

Recover Seventy Bodies.

Up to 11 o'clock at night seventy bodies of victims had been recovered. The bodies were located by rescuing squads of the United States bureau of mines, the Monongahela River Consolidated Coal and Coke company and of the Pittsburgh Coal company. During the afternoon rapping was heard and rescuers reported that men were alive, shut behind the debris. By night all such sounds had ceased.

The mine is aflame. Rescue work is being carried on with difficulty owing to the fire and deadly fumes. The coal company maintains a rescue corps like those of the United States bureau of mines.

Only a few of the miners who reached the surface were in condition to talk. From these little could be learned. Suffering from burns or fright, the miners only knew that an explosion had occurred and that a large number of men were either killed by the explosion or asphyxiated by the "fire damp."

Seven Escape Death.

Several hours after the explosion seven foreign miners crawled from one of the entrances of the mine. All were seriously burned. They could give no connected account of conditions in the mine or their individual experiences.

They all said the "mine was full of dead people."

Business in Finleyville was suspended. The greatest excitement prevailed and practically the entire community rushed to the ill-fated mine.

Relatives and friends of the men beneath the surface were frantic. A guard was placed around the entrances to the mine and all persons except rescuers and mine officials were held at a distance.

Gas Causes Explosion.

A gas explosion is thought to have caused the disaster, although this fact has not been exactly determined. Fire damp, it is said, may have been responsible.

Of the known dead all are Americans. They are John Green, Thomas Carter, son of William Carter, superintendent of the mine; Robert Anderson, machine boss; Charles Hager and John Lake.

The explosion occurred between No. 1 and No. 2 right entries, 3,000 feet from the mouth of the mine.

A. V. Brown, assistant mine foreman, stated that 179 men went to work in the mine this morning.

Thirty-eight made their escape through what is known as the Mingo entry of the mine and thirty-eight or forty miners also escaped through the Courtney entry.

At least 100 men are unaccounted for. They are in the mine and are thought to be dead.

Killed in Quarry Blast.

Riverside, Cal., April 24.—Eleven men were killed by a premature explosion of 1,000 pounds of dynamite in the quarries of the Riverside Portland Cement company at Crestmore, three miles west of here. The bodies of five have been recovered, including that of Gus Olson, powder foreman.

Miners Fall 2,200 Feet; Five Dead.
Butte, Mont., April 24.—Five miners were killed and nine injured in an accident at the old shaft of the Leonard mine of the Anaconda Copper company. William Peters lost control of the hoisting engine as he was lowering two cages of men into the mine. Both cages dropped to the sump, one falling 2,200 feet and the other 800. The engine went to pieces, wrecking the engine house and throwing pieces of iron and steel hundreds of feet.

RENEGADE MASON SUICIDE

Mining Engineer Kills Self After Breaking Oath of Order.

Douglas, Ariz., April 24.—Because he revealed secrets of the Masonic order, Ernest Louis Johnson, a mining engineer of Tucson, committed suicide in a local hotel by taking poison. He left a note explaining the cause for his self-destruction.

\$6,000 Brooklyn Fire.

New York, April 24.—Fire partially destroyed the Brooklyn factory of the American Steel Barrel company of which Mrs. Elizabeth C. Seaman ("Nellie Bly") is the principal stockholder. The damage was about \$6,000.

Club House & Telmo Fruit and Vegetable Demonstration Saturday April 26th.

You may always see the outside of canned goods, but this day you may see the inside of these brands at taste them. You no doubt buy good canned goods. Are you buying the best? We do not know, but we are cutting the CLUB HOUSE and TELMO LINE that you may compare them with what you are buying. We all want the most for our money. We are willing to give it.

We want to call especial attention to the Red Raspberries, Pitted Red Cherry, Loganberry, Egg Plum, Peaches, Pears, etc. In fact we will cut anything in the line that you want to see Saturday, April the 26th.

We will have a special price on Club House Egg Plum and Loganberry for this day only.
